Dear Artist,

Thank you for your interest in joining the Working Artist membership of the non-profit Gallery School of Pottstown. Your membership helps support our organization as well as gives you important opportunities to promote yourself and your art. Please take time to look over the enclosed application for membership.

Memberships are valid for one calendar year. As a working artist member you are eligible to:

- Participate in 3 member only shows per year with no additional fees.
- Have work for sale in Gallery School annex on a consistent, year round basis
- Receive a 10% discount on custom framing and art supplies
- Receive reduced member rates for classes taken at the School
- Receive reduced exhibit fees for all other Gallery shows
- Maintain a member binder of your work on our member bookshelf. Customers can use these binders to learn more about our artists and to consider commissioned work.
- Become a Gallery School Instructor. (Please contact us for more information about becoming an instructor.)
- Support the arts in our community!

All works exhibited and kept for inventory must be for sale. Artist members set the price for each piece. When artwork is sold, the Artist Member receives 2/3 of the selling price and the Gallery receives a 1/3 commission.

If you are interested, please complete the enclosed form. All membership applications must be received by April 30, 2011. Please include three images of your work with your application for jurying. Images may be emailed to info@galleryonhigh.com, or hard copies may be turned in with your application. You will be notified whether you have been accepted by May 31, 2011.

If you have any questions on this application or our process, please give us a call or email. The Board of Directors and staff of the Gallery School would like to thank you for helping us achieve one of our missions at the School: to make the arts an instrumental tool in the revival of downtown Pottstown.

Sincerely,

Cathy Paretti,
Gallery Director
